

2022

Key Contributor of the Year
is presented to

Ally Meyer

Ally is an amazing leader. She is always positive. She is empathetic as well as organized. I feel like she goes above and beyond to make GSC a great place to work.

Ally is a great leader for the fitness department. She always informs her staff of anything they should be aware of and makes sure that they feel appreciated. She always has a positive attitude and her clients enjoy interacting with her. She is also willing to help lead fitness classes when other instructors need someone to fill in.
